This page contains the Default Investment Strategy (DIS) Disclosure and Business Rules which forms part of the form. Member should read the contents in detail before completing the form.

DIS Disclosure and Business Rules (Effective Date is 1 April 2017)

Default Option

- (1) Effective from 1 April 2017, the default investment arrangement of the scheme is DIS.
- (2) Members are allowed to choose separate fund choices on mandatory or voluntary contribution. For unspecified part, the future contributions and accrued benefits transferred from another MPF scheme will be set to DIS.

Valid Investment Option

- (1) Fund choice allocation must be an integer.
- (2) For new enrolment case, if the total fund choice allocation is less than or exceeded 100%, or the percentage has been amended but without member's signature, future contributions and accrued benefits transferred from another MPF scheme will be set to DIS.
- (3) For fund switching case, the percentage amount for switching should be an integer percentage and the switch-in total must be 100%. If the total fund choice allocation is less than or exceeded 100%, switching percentage not an integer or the percentage has been amended but without member's signature, the existing investment choice for future contributions and accrued benefits transferred from another MPF scheme and/or fund allocation of the accrued benefits (if any) will remain unchanged.
- (4) For switching out of partial accrued benefits to other constituent fund(s), the fund allocation for the rest of the accrued benefits in any or all of a member's sub-account(s) for which no specified instruction has been given will remain unchanged until the member submits another valid fund switching request.

DIS Features

- (1) Members are free to choose to invest in the DIS. Also, members can select a combination of DIS and other constituent funds including Principal Core Accumulation Fund ("CAF") and Principal Age 65 Plus Fund ("A65F").
- (2) The automatic de-risking feature will only apply to members who have selected or defaulted to DIS. This feature does not apply if member has chosen the CAF and A65F as a standalone constituent fund choice.
- (3) The date of annual de-risking will be on member's birthday. In case the member's birthday is not a business day, the annual de-risking day will be the following business day. For member's birthday on 29 February, the de-risking will be on 1 March if there is no 29 February for the year.
- (4) For member who has selected DIS and with incomplete date of birth record:
 - If only the year and month of birth is available, the annual de-risking will use the last calendar day of the birth month or the following business day if such day is not a business day.
 - If only the year of birth is available, the annual de-risking will use the last calendar day of the year or the following business day if such day is not a business day.
 - If the date of birth is unknown, member's accrued benefits will be fully invested in A65F without de-risking.
- (5) For change of date of birth or submission of date of birth after member enrolment, an ad hoc de-risking on the DIS may be processed within 10 business days after we have updated the member's record.

Discontinue of De-risking

- (1) The de-risking mechanism for future contributions and accrued benefits transferred from another MPF scheme under DIS will be discontinued if member has provided a valid investment instruction on future investment choice to us which does not involve any DIS selection.
- (2) The de-risking mechanism on the accrued benefits under DIS will be discontinued if member has provided a valid fund switching instruction to us to switch out all the existing fund balance under DIS.
- (3) For a deceased member, de-risking will be ceased once we have received proof of the death of the member. If de-risking has already been taken place between the death of the member and the time at which we received the satisfactory proof of such death, such de-risking will not be undone, although no further de-risking will take place in respect of the deceased member.

Multiple Transactions

- (1) If we have received another specified instruction, including but not limited to subscription (e.g. contribution or fund transfer-in), redemption (e.g. fund transfer-out or withdrawals) or switching instructions, the de-risking will be automatically processed on the member's birthday while the other instruction(s) will be processed within the service turnaround time.
- (2) When one or more of the specified instructions, including but not limited to subscription, redemption or switching instructions, are being processed on the annual de-risking date for a relevant member, while the annual de-risking will only take place after completion of these instructions, the annual de-risking will be completed on the original de-risking date.
- (3) In order to ensure that the switching instruction can be processed on or prior to the de-risking date, members should refer to the cut-off time and the required time to complete (after the date of receipt of completed instruction) as set out in the "Trustee Service Comparative Platform" in the MPFA's website before submitting a valid switching instruction or change of investment mandate instruction. Any valid switching instruction or change of investment mandate instruction received by the Trustee before the annual de-risking but not meeting the required timeframe may only be completed after the annual de-risking.

Transfer or Withdrawal of Accrued Benefits

- (1) For transfer of accrued benefits from one account to another account within the same scheme, for example, to transfer the account balance from a terminated member account to a personal account under the same scheme, it will be by way of unit transfer. Regarding future contributions and accrued benefits transferred from another MPF scheme, unless the member has provided investment instruction under the new personal account, the investment mandate will be set to DIS.
- (2) For any specified instructions involving unit redemption, including but not limited to consolidation of personal accounts among different schemes, partial or full withdrawal of accrued benefits, transfer out of accrued benefits due to member termination or under employee choice arrangement, long service payment / severance payment offset and employer switching plans, all or part of the member accrued benefits including DIS will be withdrawn. The de-risking mechanism on the remaining DIS accrued benefits will be continued until the DIS account balance is zero.
- (3) When an account is terminated and all the accrued benefit has been withdrawn or transferred out to another scheme, the subsequent contribution will be withdrawn to the member or transferred out to another scheme from the terminated account without allocating to any of the investment fund.

FORM MPF(S) – W(R)

MANDATORY PROVIDENT FUND SCHEMES ORDINANCE (CAP 485)

**CLAIM FORM FOR PAYMENT OF MPF ACCRUED BENEFITS (BENEFITS) ON GROUNDS
OF
ATTAINING THE RETIREMENT AGE OF 65 OR EARLY RETIREMENT**

Sections 159 and 160 of the Mandatory Provident Fund Schemes (General) Regulation (Cap 485A)

Please read the following **important notes** before completing this Form.

Filling In This Form

- (a) This Form is to be completed by any person who wishes to claim for payment of benefits from an MPF registered scheme (scheme) on the grounds of attaining the retirement age of 65 or early retirement only. For a claim for payment of benefits on the grounds of early retirement, the scheme member must reach the age of 60 and have permanently ceased all employment and self-employment with no intention of becoming employed or self-employed again. For a claim for payment of benefits on other grounds, please use Form MPF(S) – W(O).
- (b) If the claimant/scheme member wishes to withdraw benefits from more than one scheme, please fill in a separate form for each scheme.
- (c) When the scheme concerned gets onboard the eMPF Platform¹, the trustee of the scheme must use the eMPF Platform and services provided by the system operator of the eMPF Platform to perform its scheme administration functions including processing your claim. You should therefore submit the completed form and the required supporting documents to the system operator of the eMPF Platform directly, instead of the trustee, otherwise the processing of your claim may be delayed. Please contact the relevant trustee or the eMPF Customer Service Hotline for details.
- (d) If the scheme concerned has not yet got onboard the eMPF Platform, please submit the completed form and the required supporting documents to the trustee of the scheme for processing the claim.
- (e) If any information provided is incorrect or incomplete, the relevant trustee or the system operator of the eMPF Platform (as the case may be) may not be able to process your request.
- (f) Please read the explanatory notes carefully before completing this Form.
- (g) The personal data to be supplied in support of this claim for payment of benefits are to be used for processing your claim. The personal data you supply may, for such purpose, be transferred to the relevant service provider(s), the system operator of the eMPF Platform, and the government or regulatory bodies including the Mandatory Provident Fund Schemes Authority (the Authority).

¹ The eMPF Platform is the current electronic system designated under section 19I(1) of the Mandatory Provident Fund Schemes Ordinance.

Reminder Before Submitting a Claim

- (h) Withdrawal of benefits derived from voluntary contributions paid pursuant to section 11 of the Mandatory Provident Fund Schemes Ordinance (the Ordinance) is subject to the governing rules of the scheme concerned. Please check the information from the offering document of the scheme concerned, which can be found on the website of the trustee of the scheme concerned or the system operator of the eMPF Platform. Please contact the relevant trustee or the eMPF Customer Service Hotline for details.
- (i) Withdrawal of benefits derived from tax deductible voluntary contributions paid pursuant to section 11A of the Ordinance is subject to the same withdrawal requirements as those for withdrawal of benefits derived from mandatory contributions (except that under section 11A(3), certain provisions relating to offsetting of severance payments or long service payments, and protection of benefits from creditors and others, do not apply).

Factors to Consider Before Selecting Withdrawal Option

- (j) Benefits may be withdrawn on the grounds of attaining the retirement age of 65 or early retirement either in a lump sum or by instalments. Before making any decision as regards the amount and timing of withdrawal of benefits, please consider, among other things, your personal needs, risk tolerance level and financial circumstances carefully. A scheme member may be charged the necessary transaction costs for each withdrawal, and additional fees or financial penalties may be charged to or imposed on the scheme member if more than four withdrawals by instalments (or, if applicable, the number of free withdrawals by instalments offered by the scheme) from the same MPF account are made in a calendar year. Please contact the relevant trustee or the eMPF Customer Service Hotline for details.

Reminder

- Withdrawal of benefits out of a guaranteed fund may result in some or all of the guarantee conditions not being satisfied; thus affecting your entitlement to the guarantee. Please check the offering document of the scheme, or contact the relevant trustee or the eMPF Customer Service Hotline for details.
- The price of fund units may change due to market fluctuations and may go down as well as up. The price of fund units on the date when you submit a claim form to the trustee or the system operator of the eMPF Platform may be different from that on the date when the fund units are redeemed.
- If your benefits are currently invested according to the default investment strategy (DIS) of the scheme, you should be aware that the de-risking mechanism of the DIS starts at the age of 50. If the annual de-risking of your investments in the DIS and your claim for payment of benefits take place at around the same time, the trustee of the scheme or the system operator of the eMPF Platform shall sequence the de-risking and the claim in accordance with its procedures and in compliance with the Ordinance. Please contact the trustee of the scheme or the eMPF Customer Service Hotline if you wish to know the details of how the trustee of the scheme or the system operator of the eMPF Platform handles these transactions.

- If benefits are not withdrawn in full, the remaining benefits will continue to be invested. Investment involves risk and the price of fund units may go down as well as up. Past performance does not indicate future performance. In addition, where any benefits continue to be invested in a guaranteed fund, the guarantee may cease to apply to any such benefits. Please contact the relevant trustee or the eMPF Customer Service Hotline for details. You should carefully consider factors such as your investment objectives, financial situation, risk tolerance level and key features (e.g. types and levels of risks, types and levels of fees and charges) of the scheme(s) and the constituent fund(s) concerned. Please refer to the Authority's publications available on the Authority's website (www.mpfa.org.hk).

Enquiries

- (k) For enquiries about account details and information on specific schemes or funds, please contact the relevant trustee or the eMPF Customer Service Hotline at **183 2622** or via email at **enquiry@support.empf.org.hk** if the scheme has got onboard the eMPF Platform.
- (l) For general enquiries regarding a claim for payment of benefits, please contact the relevant trustee, the eMPF Customer Service Hotline or the Authority (email: **mpfa@mpfa.org.hk** or hotline: **2918 0102**).

Explanatory Notes

- (1) Either the scheme member or person(s) appointed as a committee of the estate of a mentally incapacitated person under the Mental Health Ordinance (Cap 136) (the committee of the estate) to act on behalf of the scheme member can be the claimant to lodge the claim for payment of benefits. If there is more than one person appointed by the court as the committee of the estate, those persons should apply and sign in the capacity as the committee of the estate in accordance with those terms of appointment and any other requirements contained in the relevant court order. Please use an additional blank sheet to provide details of the claimants under Section I. Under such circumstances, this Form needs to be signed by all of the persons appointed by the court as the committee of the estate, unless the court authorizes otherwise.
- (2) If a claimant/scheme member does NOT possess a HKID Card, please fill in the name as shown on the passport.
- (3) Scheme member account number can be found:
 - (i) in the membership certificate, notice of acceptance, or notice of participation; or
 - (ii) in the annual benefit statement, or other statements provided by the trustee of the scheme concerned or the system operator of the eMPF Platform; or
 - (iii) through the member enquiry facilities available from the trustee or the system operator of the eMPF Platform.

If you are in doubt, please contact the trustee or the eMPF Customer Service Hotline.
- (4) In processing a claim for payment, the trustee of the scheme concerned or the system operator of the eMPF Platform may request the claimant to produce the original documents for checking purpose, if necessary.
- (5) For a claim made by the committee of the estate on behalf of the scheme member, in addition to the required documents in respect of the scheme member, the following documents should be enclosed:
 - (i) a copy of the evidence of the status of the committee of the estate, i.e. the court order;
 - (ii) a copy of each claimant's HKID card for verification of the name and identity card number of the claimant if the claimant does not wish to present the card in person for verification ^{Note 6}, and
 - (iii) the original statutory declaration form made by the committee of the estate for a claim for payment of benefits (Form MPF(S) - W(SD4))^{Note 7} (if applicable). Where such a statutory declaration has been made and enclosed with the claim, the statutory declaration form (MPF(S) - W(SD1)) for a claim made on the grounds of early retirement shall not be required.
- (6) For a claimant/scheme member who does NOT possess a HKID card, a copy of the passport (only pages with personal particulars and passport number) should be provided to the trustee of the scheme concerned or the system operator of the eMPF Platform for verification of the name and passport number of the claimant/scheme member if the claimant/scheme member does not wish to present the passport in person for verification.
- (7) The statutory declaration must be a valid statutory declaration in the place where the declaration is made (e.g. in Hong Kong, the statutory declaration should be made before and signed by a Commissioner for Oaths (e.g. at a Public Enquiry Service Centre of the Home Affairs Department) or a Notary Public or a Justice of the Peace). A statutory declaration made in a place other than

Hong Kong is also acceptable provided that it is made before and signed by a Notary Public or a person authorized under the law of that place to administer an oath or take a statutory declaration.

- (8) A scheme member who does not have the month and/or day of birth printed on the HKID card may provide evidence as to the month and/or day by using one of the following methods:
- (i) using the birth date as shown on an official document (e.g. a travel document or a statutory declaration of the scheme member's date of birth); or
 - (ii) using the month and day of the issue date of the HKID card of the scheme member.

If the scheme member has not used any of the methods above to provide evidence as to the month and day, then in the absence of the above evidence:

- (i) where the HKID card shows only the year and month of birth (and not the day of birth), the last day of the month as shown on the HKID card as the birth date of the scheme member will be used; and
- (ii) where the HKID card shows only the year of birth (and neither the month nor day of birth), the last day of the year as shown on the HKID card as the birth date of the scheme member will be used.

Please note that mandatory contributions in respect of the scheme member (if any) will cease on the day when the scheme member reaches age 65 based on the evidence provided by the scheme member or defaulted above.

- (9) If a claimant wishes to select different withdrawal amounts for different accounts within a scheme, the claimant should fill in a separate form for each account.
- (10) No fees or financial penalties may be charged to or imposed on a scheme member or deducted from the scheme member account, other than necessary transaction costs incurred or reasonably likely to be incurred in selling or buying investments in order to give effect to the withdrawal and are payable to a party other than the trustee, for payment of the member's benefits in a lump sum or for the first four withdrawals by instalments (or, if applicable, the number of free withdrawals by instalments offered by the scheme) each calendar year. Payments in excess of four times (or, if applicable, the number of free withdrawals by instalments offered by the scheme) in a calendar year may be subject to fees or financial penalties. Please contact the trustee of the scheme concerned or the eMPF Customer Service Hotline on the arrangement and fees involved.
- (11) This option is applicable for withdrawing the benefits in a LUMP SUM from each scheme member account specified in Section II(1) (including benefits derived from voluntary contributions if the scheme member is entitled to withdraw them based on the governing rules of the scheme concerned and benefits derived from tax deductible voluntary contributions). Please contact the trustee of the scheme concerned or the eMPF Customer Service Hotline for details.
- (12) This option is applicable for withdrawing the benefits by INSTALMENTS from each scheme member account specified in Section II(1) (including benefits derived from voluntary contributions if the scheme member is entitled to withdraw them based on the governing rules of the scheme concerned and benefits derived from tax deductible voluntary contributions). For each scheme member account, the specified withdrawal amount will be redeemed proportionally from each sub-account (if any) according to the fund allocation as of the day on which the trustee redeems the benefits (including benefits derived from voluntary contributions if the scheme member is entitled to withdraw them based on the governing rules of the scheme). If the account balance is less than the withdrawal amount specified by the claimant, the entire account balance will be withdrawn. If the claimant subsequently wishes to withdraw the remaining benefits in the accounts, please submit

another claim to the trustee of the scheme concerned or the system operator of the eMPF Platform if the scheme concerned has got onboard the eMPF Platform.

- (13) The authorization to the system operator of the eMPF Platform is applicable to cases where the trustee uses the eMPF Platform and scheme administration services provided by the system operator of the eMPF Platform to perform the trustee's scheme administration functions with respect to the scheme referred to in Section II(1).
